VETS Indexes Awards MI Technical Solutions As 4 Star Employer

Chesapeake, VA April 9, 2026 – MI Technical Solutions, Inc. (MITS) is honored to be recognized as a 4 Star Employer in the 2026 VETS Indexes Employer Awards Listing! VETS Indexes Awards are given to organizations for their strong commitment to recruiting, hiring, retaining, developing, and supporting veterans and the military-connected community. “MI Technical Solutions has demonstrated meaningful and measurable support for veterans and the military-connected community through its commitment to building opportunities for those who served,” said Nicholas Antaki, President of VETS Indexes. “As we launch our new awards platform and enhanced survey experience in 2026, we are making it easier than ever for organizations to showcase their veteran employment initiatives and benchmark their progress. Employers like MI Technical Solutions continue to set the standard and help drive the future of veteran employment forward.” This award continues to demonstrate MITS’ support and appreciation of the experience and dedication the military community brings to the company, community, and country.

At the time of award, 63% of our employees are veterans! MITS frequently attends military job fairs, posts on military specific job boards, and strives to maintain relationships within the veterans, National Guard, and Reservists communities. MITS understands the importance of our veterans, so we aim to be flexible and offer various benefits to currently serving military reservists and veterans. MITS is proud to be among the nation’s top veteran employers!
